Girls Softball League Begins Second Round

The Girls' Softball League rolled into its second round of play last week. On Tuesday, August 6, the Hotshots were pressed hard by the Basebags, but managed to hang on enough to win 6 to 3.

The winning pitcher was Rosemary Swartz, who hit a triple in the third inning with one on. The Hotshots pulled a neat double play in the second inning when the shortstop, Marlene Hanson, caught a high fly, then ran with the ball to second base to double off the runner who had failed to tag up.

The Esabs finally caught fire in the second game and blasted the Sureshots 14 to 2. Sandy Brown, playing left field for the Esabs hit two doubles and a triple to help her team. The winning pitcher was Carlo Babb who gave up only four hits. The Esabs pulled off a tricky double play in the fifth inning when Judy Clements, shortstop for the Esabs caught a fly and then threw to first in order to double off the runner there.

What was supposed to be a runaway game for the K-Kids over the Hamburgers, turned into a close contest. At the end of 5 innings the score was 13 to 10, with the K-Kids managing the squeak by. The Hamburgers showed tremendous improvement at the plate by collecting 9 hits. The winning pitcher was Adadot Hayes, who collected a triple and a single herself to aid her own cause. Looks like the K-Kids can stand some improvement in the field. They have at least two tough games remaining in order to stay tied for first.

The second game on Thurs-

opponents 15 to 13. The big hitters for the Bruins were Grace Bilotti, Dot Nelson, and Marsha Post who all hit home runs.

BIFOCAL WEARERS!

READ THIS!

Why be handicapped with that aggravating "middle distance blur" that most people experience with bifocals? If you have difficulty in reading merchandise labels in stores, in distinguishing book titles in the library, in seeing all the playing cards on the table, etc., you'll marvel at the "new sight" that CONTINUOUS VISION LENSES will bring you! These are the modern glasses that assure clear vision at ALL distances—without head bobbing and neck craning. Let us demonstrate—without obligation—why you will feel better and work better when you change to CONTINUOUS VISION LENSES. Not expensive; easy terms. Come in soon!
